

Declaration of Conformity

(Covid-19)

(Name)....., of (company name)....., with identity document number..... expresses agreement with the security protocol to safeguard against contagion of COVID-19 during active tourism activities.

Recommendations for Active Tourism Activities

During our activity, we will be physically together in person, and therefore it is essential that we act in a safe and responsible manner, in accordance with the guidelines of the Spanish Tourist Quality Institute (ICTE). As such, we have adopted the following measures:

- Greetings that require physical contact (eg. handshakes) must be avoided.
- A safe distance of 1.5-2 metres must be maintained.
- Masks and gloves must be worn.
- It is essential that you inform us if you have suffered from cough, fever, muscle pain, diarrhoea or other symptoms compatible with Covid-19 in the past two weeks.
- At the beginning of the tour, hands / gloves will be disinfected with alcohol disinfectant gel.
- When coughing or sneezing, the mouth and nose must be covered with the elbow. Use tissues and dispose of them safely immediately after use, cleaning hands or gloves with alcohol disinfectant gel afterwards.
- Where possible, we recommend that payment be made electronically.
- In the case of clients displaying symptoms compatible with COVID-19, the cancellation of the activity and the situation will be communicated to the Ministry of Health by telephone (112). An attempt will be made to find another date to carry out the trip, and if not possible, 50% of the value of the activity will be charged as a cancellation fee.

"The most frequent mistake is to ignore and consider infectious diseases as something foreign, distant and improbable. The best vaccine is prevention. Compliance with safety standards protects us all, allowing us to enjoy our passion for nature "
